

Dara

The steadfast heart of our furniture

I like making a dramatic statement, but also have a huge heart. Soft and generous, I'm more than just a chair, I'm your best friend in the room, always there to lift you up. Need a confidence boost? Just lean on me, I've got your back!

The **Dara chair** embodies modern elegance with its clean lines and minimalist design. Featuring box band seat and back cushions, it offers both comfort and style in a sleek, understated manner. With its simplistic silhouette, the chair exudes sophistication, effortlessly complementing various interior styles. Whether placed in a living room, office, or lounge area, **the Dara chair radiates understated charm and timeless appeal**, making it an essential choice for those who value both form and function in their furniture selections.
